

ENGAGE. CHANGE. DELIVER. YOUR PRESCRIPTION FOR SUCCESS

INTRODUCING CONSULTING SERVICES FROM

 **Lx Solutions** an affiliate of
AMERICAN ASSOCIATION FOR PHYSICIAN LEADERSHIP

Your Prescription for Success!

Customized consulting solutions that transform the way you deliver care and excel as a physician-led organization.

Communication, Behavior and Performance

Drive productivity in your organization with established open and effective communication among your physician leaders. Create a collaborative and high performing team to lead your health care organization in a competitive environment.

Governance

Redesign your governance practices to enable collaboration and high performance between your CEO and Board. L_xSolutions implements practices for effective communication, efficient board sessions and relationship building among the leaders in your organization.

Systems Re-engineering and General Performance Improvement

Reorganize fragmented business processes into a cohesive system that better supports your health care organization's mission. L_xSolutions re-designs your core business processes to achieve improvements in key performance indicators, so your health care organization becomes a world-class competitor.

Physician Engagement and Integration

Develop the next generation of engaged physician leaders to lead change in your health care organization with L_xSolutions. We will improve physician engagement and integration for maximum productivity.

Change Management

Transition to improved workflows and organization culture with a change management strategy developed by L_xSolutions. Engrain change into your culture. Empower action, communicate your plan and reinforce the value of successful change in your organization.

Strategic Planning

Define a mission, allocate resources and develop action plans for your physician leaders to excel. Fulfill your mission with maximum efficiency and impact with a strategic plan from L_xSolutions to inspire change in your health care organization.

Physician-Patient Relationship

Determine physician and patient roles and responsibilities to empower patient participation and effective communication. L_xSolutions helps your physician leaders implement the right physician-patient relationship model to lead powerful change in your organization.

CHANGE...

■ PREPARE FOR → ■ MANAGE → ■ REINFORCE

L_xSolutions®

Transform the way you deliver care in today's dynamic environment. Inspire your physician leaders to implement change in your organization with strategic, operational and financial solutions from L_x Solutions. Establish a culture of physician engagement and integration to deliver top-notch care with maximum productivity. Our team of industry experts provide consulting solutions to hospitals, health systems and other health care organizations seeking a competitive advantage through physician leadership.

L_x Solutions is an affiliate of The American Association for Physician Leadership, the premier association for physician leaders. Our respected educational programs provide a comprehensive and integrated delivery of solutions to leaders in any health care organization. Together, we will lead change in the health care industry.
